Dear Mr. Royce:

We have inspected work conducted at your ZZX mining claim group at Wild Horse Canyon and have determined that the disturbance is negligible, so no reclamation will be necessary. No further reclamation shall be required under notice UTU-70948. We are therefore closing the case file on this notice. Plans of operation and notices are no longer required for mining claim rental exemptions.

If you have any questions, please feel free to contact Neil Simmons of my staff at 801-637-4584.

Sincerely,
WAYNE LUDINGTON
